

La Muñeca Y LOS MUERTOS

Estrella

La Muñeca y Los Muertos (la moon-yeh-ka ee los moo-air-tos English Translation: The Doll & The Dead) is a 5 piece band from San Francisco, California who have been rockin steady to their own original ska music since 2004. Musically inspired by The Specials, Oingo Boingo, Madness, Bersuit, Mana and Elvis Costello. Their debut release "Estrella" captures the band's upbeat sound and bilingual poetic lyric. Many fan favorites are included on the album such as Chica, Star and Electric Car. Anyone who likes No Doubt or Julieta Venegas will enjoy this record.
